### **IMMIGRATION IN THE BIBLE All School Study Study Leader Rev. Lyda Pierce**

*This study shares the story of the Bible as a narrative of immigrants and migration. Exploring the Biblical and theological understandings of immigration, immigrants, and migration, this study seeks to enable the participants to examine what it is to be a sojourner and to live into the Biblical mandate of hospitality for “the stranger” and “aliens” in our midst.*

### **Poverty Elective Study Study Leaders Estella Wallace, Marilyn Wudarcki, Erica Lovchik and Rev. George Lockwood**

*Our Christian faith invites us to become agents of God’s compassion and healing in a wounded world. Poverty is a human rights issue with grave impact on women and children. This mission study on poverty is designed to help participants recognize and claim for themselves the connections between Scripture, church tradition, compassion for the poor, social outreach and social justice.*

### **Haiti: Challenges and Hope Elective Study Study Leader Debbie Irby**

*It is nearly impossible to convey the full scope of Haiti’s culture and history in one study, and so Rev. Dr. Jacques E. Pierre freely admits*

*that this admits that this mission study “does not assume it captures every aspect of Haiti and its people’s daily realities, their rich and vivacious culture, that shaped Haiti’s past and the ongoing legacy of colonialism, along with glimpses into the heart and soul of Haiti’s people through pictures and Creole adages.*
